- 2- What do these four pictures refer to?
- 3- Is technology beneficial for humans? How?

Organising ideas

Write down examples of advantages of technology in our lives in the following domains.

Education	medicine	business / trade	transport	communication	agriculture

Language function : Using simple comparatives and double comparatives

1- Simple comparatives :

- We use **fewer** with countable nouns

Example : There are **fewer** people without cellphones these days.

- We use **less** with uncountable nouns

Example : We need to remember **less** information because we can access information at the touch of a button.

- We can use **much** before comparative adverbs.

Example : **It is much easier** to send a message than to speak to a peson.

2- Double comparatives

- We use double comparatives to say that things are changing

Examples:-

- **Fewer** and **fewer** people can write neatly in cursive script.
- **More** and **more** people have their own computers or tablets.
- Children have **less** and **less** time to play.
